IN RE: NEXGEN INTEGRATED COMMUNICATIONS, L.C., n/k/a NEXGEN INTEGRATED COMMUNICATIONS, L.L.C.	DOCKET NOS. TCU-00-30 TF-01-234
---	------------------------------------

**ORDER RECOGNIZING CORPORATE NAME CHANGE, APPROVING TARIFF,
AND ISSUING CERTIFICATE**

(Issued August 28, 2001)

On August 8, 2000, the Utilities Board (Board) issued an order granting the application of NexGen Integrated Communications, L.C. (NexGen) to provide competitive local exchange service in the exchanges of each of the incumbent local exchange carriers in Iowa. The application was identified as Docket No. TCU-00-30. In the order the Board stated that NexGen would be issued a certificate to provide local exchange service once it had approved tariffs on file with the Board.

On July 31, 2001, NexGen filed a proposed tariff with the Board providing the terms, conditions, and rates for local exchange service in Iowa. The proposed tariff has been identified as Docket No. TF-01-234. The proposed tariff indicates that service will only be offered initially in certain Qwest Corporation exchanges.

On August 16, 2001, NexGen filed a pleading indicating to the Board that it was changing its corporate name. NexGen stated that its corporate name will now be NexGen Integrated Communications, L.L.C.

The Board will recognize the corporate name change to NexGen Integrated Communications, L.L.C. The Board finds that the proposed tariff complies with Board rules for the filing and processing of tariff pages. The Board will approve the proposed tariff and will issue a certificate authorizing NexGen to provide competitive switched local exchange service in the exchanges as listed in its tariff approved in this order or as subsequently approved. The Board will issue Certificate No. 0238 to NexGen Integrated Communications, L.C., n/k/a NexGen Integrated Communications, L.L.C., under the provisions of Iowa Code § 476.29 (2001).

IT IS THEREFORE ORDERED:

1. The name change to NexGen Integrated Communications, L.L.C., requested on August 16, 2001, is approved.
2. The proposed tariff, identified as TF-01-234, filed by NexGen Integrated Communications, L.C., n/k/a NexGen Integrated Communications, L.L.C., on July 31, 2001, is approved.

3. Certificate No. 0238 is being issued concurrently with this order. Under the certificate, NexGen Integrated Communications, L.L.C., will be allowed to provide local exchange service as shown by its tariffs as currently and subsequently approved.
